1. The defendant shall perform 16 hours of community service under the direction of the U.S. Probation Office.

CAUSE

On April 30, 2008, this Probation Officer contacted Mr. Gene Villaflores to inquire about Nicolas Campos's employment progress. Mr. Villaflores reported that Mr. Campos had not been employed with his company since late 2007 and Mr. Campos was now working with a former co-worker, Mr. Roy Aguilar. In a subsequent interview, Mr. Aguilar stated that he and Mr. Campos work together as a surveying team and they left the employ of Villaflores around December 2007 due to a lack of contractual work. Aguilar and Campos are subcontracted to perform surveying work for Mr. Robert Ventura who pays their wages.

A review of Mr. Campos's monthly supervision reports for the months of December 2007, January, February and March 2008, showed that he reported being employed with Mr. Villaflores, which is contrary to the information provided by both Villaflores and Aguilar. Based on this false information, the defendant is alleged to have violated *Standard Condition Number 2* to wit: *The defendant shall report to the probation officer and shall submit a truthful and complete written report within the first five days of each month.*

On April 30, 2008, this Officer spoke to the defendant who could not offer a valid explanation why he continued to report that he was working for Mr. Villaflores. He indicated that he "forgot" to report the correct employer. As a sanction, the defendant has agreed to perform 16 hours of community service under the direction of the U.S. Probation Office.

Attached is Probation Form 49, Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision, with Mr. Campos's consent to the modification.
